Developer's Forum

A Developer's Forum will be held on Tuesday, December 22, 2009 from 3:00-4:30 p.m. in the Municipal Building, City Council Chambers located at 201 West Gray, Norman, Oklahoma. This meeting is being held to provide information regarding current and future federal, state and local storm water regulations in Norman. These regulations affect most streams and channels in Norman. The target audience includes Developers, Engineers and others involved in the land development process in Norman. Presenters will include officials from the U.S. Army Corps of Engineers, Tulsa District; Oklahoma Department of Environmental Quality; and the City of Norman.

Attendees will have an opportunity to ask questions and to make comments or recommendations. Please contact the Department of Public Works at (405) 366-5453 if you have additional questions.
